Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Billerica Town Center Project in fiscal year 2024. The entity to receive funding for this project is Town of Billerica, located at 365 Boston Rd, Billerica, MA 01821. The funding would be used to make a two-way road and build sidewalks which will help ensure the revitalization of the center of their town. The project is an appropriate use of taxpayer funds because it would eradicate current economic development deterrents, such as traffic congestion, to allow for the arrival of new businesses and more housing.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and/or 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan". The signature is fluid and cursive.
